I do that as a hobby. I have a job as a certified specialist and I have a music studio. I have been making music professionally for 10 years and for the last 3 years I have been working in a music studio as a certified specialist. I make music by the tracks I write, but sometimes I also do the vocal part, arrangement and other music related things. I write songs and make music for all kinds of artists, for example: pop, r&b, house, funk, rock, techno, electro, trance, hip hop, reg
